New Road To Mountains Hits A Snag

Lannan Estate Objects To Right Of Way And The Project Is Held Up

The Santa Anita Canyon Highway for which the Lannan Estate has been appropriated by the County Supervisors, needs a new right-of-way through the Lannan Estate before it can become a reality, it was learned today.

The original route chosen by the county engineer's office cuts through the Lannan Estate, through orange groves, play grounds and tentative subdivisions, up so badly that the heirs and executors have refused to grant the 100 foot right-of-way asked by the county.

North of the old ranch house is an almost level point of ground that runs out from the mountain side. On this "scenic" point the heirs of the estate have built a beautiful swimming pool and are now planning and have already prepared the ground for a tennis court together with a building for showers and dressing rooms.

The road, cutting across from Santa Anita (Double Drive) avenue, would run right along side of the swimming pool and through the middle of the tennis courts on its two-mile route through the Lannan estate.

The north boundary of the ranch is high up on the mountain side and includes, it is said, a long strip of the Sturtevant Trail from the Little Grey Inn to Clark's Halfway House.

It is intended that this mountain-side road shall be subdivided similar to Hollywoodland and be made an exclusive residential district. The present site chosen for the highway virtually cuts into the heart of this hillside property.

Unless the executors of the Lannan estate and the county officials can come to an agreement on the present route, or a new one, possible through the lower side of the ranch, there will be no work done on the construction of the highway this spring, though the supervisors voted to put the road through at this time as a part of their plan to relieve unemployment. It seems probable now that the county will resort to condemnation proceedings, which will cause a long delay.

Fete Plans Broaden As Date Nears

Social Feature Developed More than Ever In City's Great Annual Event

If the world's largest wistaria vine were to bloom tomorrow, Sierra Madre would be ready for its annual Fete.

But even with the bright, balmy weather and the buds developing as rapidly as they are under its kindly influence the city's great event will not get under way until St. Patrick's Day and meanwhile the committee that will direct this year's affair is thinking and working out new details to make this the outstanding of all fetes.

It has been decided to carry out the Chinese motif this year, and already orange, red and gorgeous blue dragons are beginning to appear on the edges of the pagoda booths.

Mrs. H. W. Glidden, who is well known for her artistic talent, has charge of the decorating. The grill, where most delicious steaks are to be broiled, is in readiness, having been built by R. S. Corlett. This year the Fete will be more than ever a social event, and arrangements have been made to accommodate much larger groups than ever before for dinner, luncheons and teas, both out in the garden under the vine, and on the verandas.

Monday afternoon the Garden section of the Woman's Club met with Mary Potter to arrange for its part of the Fete. The Garden Section will have charge of the booth where cut flowers may be found.

Mrs. D. F. Morton, Mrs. C. J. Pegler and Mrs. D. S. Steinel will arrange the booth and sell the flowers. Mrs. W. J. Lawless has promised to provide large quantities of her famous "nose-gays." A luncheon on March 11th will be under direction of Miss Potter and various social activities in connection with the Fete will be outlined.

As a matter of fact the measure is a practical duplicate of the one now in effect in Pasadena. Opponents allege that there is no occasion for such regulations as obtain in the larger city and that much of the charm of life here lies in the right to maintain horses, cows, poultry and pets without restriction. Advocates of the ordinance held that the growth of Sierra Madre by the coming here of the most desirable sort of people will be retarded until there is regulation.

Council referred the ordinance back to the ordinance committee for a recommendation to be presented on March 11. Meanwhile it will be available for inspection by interested citizens in the office of City Clerk.

Mrs. Davis Badly Injured In Crash Of Motor Cars

While driving north on Sunnyside avenue about 9:30 o'clock on Sunday evening, Mr. and Mrs. Charles E. Davis of 659 West Alegria avenue, were struck by a car driven by Tomeichi Hoshino of Lamanda Park, at the intersection of Sunnyside and Grand View avenues. Mr. Hoshino was driving west on Grand View avenue at the time of the accident and, according to spectators, failed to slow up at the corner. The car driven by Mr. Davis was overturned and both Mr. and Mrs. Davis were badly bruised and shaken up. Mrs. Davis' condition is serious and it is feared it will be sometime before she will recover completely from the shock. The Davis car was badly damaged.

Amend Plans For Paving Of Canyon Park

Minor Changes Eliminate Sharp Turns In The Proposed New Roads

Minor changes were made in the resolution of intention to pave four main highways in Canyon Park at a special meeting of the City Council yesterday afternoon. The amendments mainly call for the elimination of sharp turns in sections of Woodland Drive and Sturtevant Road without adding to or taking from the area to be improved.

The protest meeting originally fixed for Wednesday, March 11, was postponed until Wednesday, March 25 at 7:30 o'clock in the Council Chamber at the City Hall. The resolution of intention in its present form appears on pages three, four and five of this issue of THE NEWS. No change was made in the type of paving to be used, in the type of roads to be built, in the boundary lines of the four assessment districts nor in the number of streets to be constructed.

ANTHONY B. DALY, LONG A RESIDENT OF THIS CITY, HAS PASSED ON

Anthony B. Daley, former resident of Sierra Madre, passed away at his home in Monterey Park on Tuesday at the age of 54. When he was 10 years old his family moved to this city, where he was the first carrier for the Los Angeles Times. He was a Santa Fe conductor for a number of years. He leaves his widow and daughter, his mother, Mrs. E. H. Gorrill of Compton, and two sisters, Mrs. Peary of Wilmington and Mrs. Charles Bryans of Cudahy.

LONG BEACH JUDGE ELECTED TO SENATE

Former Judge Ralph H. Clock of Long Beach was elected state Senator from the 33rd senatorial district by an overwhelming majority at the special write-in election yesterday. Judge Clock will take the seat left vacant by Frank F. Merriam's election to the Lieutenant Governorship.

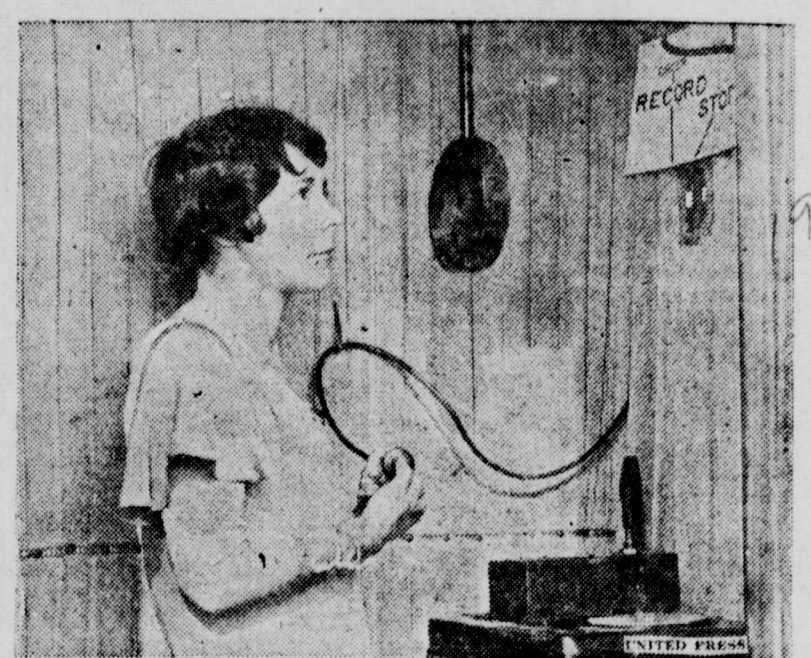

Monday afternoon the Garden section of the Woman's Club met with Mary Potter to arrange for its part of the Fete. The Garden Section will have charge of the booth where cut flowers may be found.

Mrs. D. F. Morton, Mrs. C. J. Pegler and Mrs. D. S. Steinel will arrange the booth and sell the flowers. Mrs. W. J. Lawless has promised to provide large quantities of her famous "nose-gays." A luncheon on March 11th will be under direction of Miss Potter and various social activities in connection with the Fete will be outlined.

As a matter of fact the measure is a practical duplicate of the one now in effect in Pasadena. NEW METHOD INVENTED FOR TAPPING FAMILY BANK ACCOUNT

It has really arrived—the "spoken letter." A Hollywood inventor who a year ago started to work on a machine to turn out letters "written with the voice" has perfected the contraption and promises to have them scattered about over the earth, and especially in the path of tourists, as plentifully as the well known weighing devices. Half a dozen "letter writing booths" have already been established in Hollywood, in downtown Los Angeles and at the piers of the big steamship companies at San Pedro and Wilmington. You merely step into the little four-by-four booth, drop a quarter into the well known slot and begin to talk your letter. When you have finished, a little disc drops out of the machine. It is your letter. With it comes a pasteboard container, with lines indicating where the address should be written. The postage is already affixed—four cents worth. You address the package and drop it into the nearby mail box. When it arrives at its destination the family or the boy or girl friend, or the business associate, if that should be, adjusts it on the family or office phonograph and "hears" your letter. Jewel Cohen, Pittsburgh stage favorite, is shown in the above picture "talking a letter" to an Eastern friend in one of the Hollywood exhibition booths. "I know it works," says Mrs. Cohen, "for I wrote" one of the "spoken letters" home ten days ago and a few days later an old fashioned mail letter arrived with more sight seeing funds." Mrs. Cohen, a sure enough pioneer, is credited with having first brought the lip stick to America.

BEAUTIES OF GREAT NATIONAL PARKS ARE SHOWN KIWANIANS

Colored pictures of Zion National Park, Grand Canyon, Kanab and Bryce Canyons were shown at the Kiwanis club on Tuesday. A. T. Jackson, lecturer on the Grand Canyon, gave detailed and historical descriptions of the pictures as they were flashed on the screen. The slides were so arranged as to give the audience the same perspective that they would receive by a motor trip through the parks. Mr. Jackson was secured through the courtesy of Woodson F. Jones, local agent for the Union Pacific system.

VALLEY FORGE LODGE HERE HONORS NATAL DAY OF WASHINGTON

Valley Forge Lodge in the mountains was appropriately the scene of quite a celebration on Washington's birthday. A group of 50 men from the Reserve Officers Training Corps, in charge of Major William Wells, were guests for the holiday. Rising and saluting the flag, a number of military maneuvers were executed by the young officers and enjoyed by the various guests spending the weekend at the lodge. Dancing was enjoyed Saturday evening and on Sunday morning the guests gathered about the great log fireplace to enjoy a talk by Major Wells, followed by a musical program.

LOCAL AND MONROVIA BASKETBALL TEAMS PLAY HERE MONDAY

The Sierra Madre Merchants will meet the Monrovia National Guards in what promises to be an exciting basketball game on the court of the Congregational Church, next Monday evening at 8 o'clock. Emile Smith plays guard on the local team; Herbert Munson, guard; Craig McLaughlin, center; LeRoy McBurney, forward; Harry Drayman, forward; and Jack Jensen and Carl Young, substitutes.

TEACHERS HONOR MISS STEINBERGER ON HER BIRTHDAY

A surprise party honoring the birthday of Elizabeth Steinberger, principal of the Sierra Madre Grammar School, was given last Wednesday by the teaching staff of the school. Dinner was served in the kindergarten at 6 o'clock to the guests, who were in fancy dress costumes. Many beautiful gifts were presented to Miss Steinberger and special games and dramatics were enjoyed. The evening was spent around the open fireplace in the kindergarten. Besides the teachers, the guests were Mrs. J. O. Smith, Mrs. C. A. Allen and Mrs. Gilbert Boward.

WELCOME EXTENDED LATEST ARRIVALS

Newcomers welcomed to Sierra Madre during the past week are Mrs. W. L. Wiley, who has taken up residence at 363 Sycamore Place; Charles Gilmore, 11 Audubon Court; Mrs. A. Norman Harvey, 46 North Lima street; Mrs. B. P. Martin, 146 North Auburn avenue, and M. A. Lunney, 152 Vista Circle Drive.

Sierra Madre 50 Years Old; To Celebrate

Pageant Will Be Staged In Honor Of Community's Beginning In 1831

Sierra Madre is half a century old this year. It came to a realization of it during a lecture on the San Gabriel Valley by Harold Carew at the February meeting of the Men's Community Club and plans were at once started to properly celebrate the event.

The Men's Club at the same time set the wheels in motion for formation of a Sierra Madre Historical Society while many of the early settlers of the city are still alive and active and while it is possible to gather up first hand information and relics of the early days.

Mr. Carew, author of a most interesting history of the San Gabriel Valley, in his talk to the Men's Club told of the old ranches in this section of the valley. In 1831, he explained, Nathaniel Carter, who had come here from New England for his health and had been in the employ of "Lucky" Baldwin, purchased land close up to the mountains and portioned it off for sale in five and ten acre plots. Mr. Carter then went back to Boston and talked up Southern California, and Sierra Madre in particular, in a manner that entitles him to the credit for having been probably the first man to effectively "sell" Southern California in a large way. The settlement of Sierra Madre resulted—immediately.

The interest aroused by Mr. Carew's remarks, and especially the announcement that Sierra Madre is now fifty years of age, took concrete form in the determination of the club to sponsor a suitable program later in the year in celebration of the semi-centennial of Sierra Madre.

This will probably take the form of a pageant or other dramatization of the early days, and will, in any event, bring about the collection of historical mementoes and data for preservation.

Fortunately Sierra Madre has today as residents several persons who have intimate knowledge of the community's first days and it was stated by Elmer A. Green, president of the club, that formation at an early date of the Sierra Madre Historical Society will be undertaken. All those interested in such an organization or having possession of historical facts are requested to communicate with THE NEWS or with Mr. Green.

LOCAL MAN GREETED THE NOTED EINSTEIN 'NEAR' PASADENA HOME

At least one Sierra Madrean had the pleasure of "meeting" Prof. Albert Einstein during the celebrated German scientist's stay at the neighboring city of Pasadena.

H. C. Scott of the Sierra Madre Taxi Service was the fortunate young man. But his conversation with the distinguished professor was brief. It was this way:

Scott was driving a couple of Denver women to their home in San Marino. Passing down the street in Pasadena where Prof. Einstein has been making his California home, one of Scott's passengers recognized the professor, who was taking his morning walk near his home. She demanded that Scott slow the car down. The obedient Scott did more. He sidled the car up to the curb and stopped beside the astonished if not a little frightened German.

Scott's knowledge of German was confined to the oaths he had heard German prisoners utter during the war and the Professors' interpreter was not at hand, so the ensuing conversation between the Sierra Madrean and Berlin's most distinguished son was brief.

"Good morning, Professor Einstein," called Scott. "Oh, good morning sir," returned the professor, turning full about, smiling graciously and bowing low to the ladies in Scott's car.

LEGION POST OF THE DISTRICT HONOR THE STATE COMMANDER

Sierra Madre was among the nine posts awarded distinguished service certificates for securing their membership quota by November 31, 1930, at the 18th district meeting of the American Legion last Friday evening at Monrovia high school. A mammoth parade was staged before the meeting in honor of B. W. "Bud" Gearhart of Fresno, Commander of the American Legion of California, who paid the district an official visit.

William ("Wild Bill") Atkinson of Arcadia called the meeting to order and the roll call was conducted by Clarence Barton of South Pasadena. The total district membership was revealed by the roll call to be 2853, of 89 percent of the quota assigned by the state.

The Sierra Madre School orchestra will start next week to play selections together.

Judge Neale Will Dispense Justice For Next 30 Days

"Good morning, Judge," will be the proper salutation for "Tom" Neale for at least the next 30 days.

The title was officially attached to the well-known and popular realtor at a special session of the City Council yesterday afternoon when he was designated to serve the city until the return of Judge W. R. Lasater who is under treatment at the Soldier's Hospital at Santee and who, by the way, is reported to be showing marked improvement.

Though the badge of authority has been pinned on Judge Neale for only 30 days he will probably always be "Judge" to at least his friends—few ever escape the title once it is conferred.

New Bailey Canyon Park Is Under Way

Firemen Make Surprising Headway In Development Of Their Project

First steps in the plan to make Bailey Canyon a city park were taken by the city firemen this week when the work of cutting a roadway from the Angeles forest boundary line to the Lima street approach to the canyon was begun.

A detail of the firemen consisting of Chief Richards, Bob Newberry, V. A. Udell, Robert Babbitt and Assistant Chief George Norris were the trail blazers. Brushing by the threatening poison oak in the upper end of the canyon they invaded its far reaches on Saturday and began to dig their way out. Another detail of firemen and other citizens went into the trail and continued the work on Sunday and some work has been done every day this week.

Two tractors have been secured and will be put to work tomorrow morning and by Monday a passable road will be open as far North as the city line. This will greatly expedite the work to be done inside where there is a dense growth of underbrush that must be cleared out.

As fast as this is done deadens and other trees that have been started in the city nursery by the Planning Commission will be set out so that they may get established before the seasonal rains have ended. As the trees go in, trails will be started along the East and West walls of the canyon and the firemen will work out toward the city.

"Of course we don't expect to anything like finish the job this morning," said Chief Richards this morning, "but a surprising lot of important work has already been done and if the old enthusiasm don't wear off with the approach of summer weather this firemen's park will be well on its way by Fall."

"Quite a lot of citizens have shown a great interest in the undertaking and have encouraged the firemen by volunteering to give a hand from time to time. This spirit on the part of our people has done much to keep up the enthusiasm of our fellows. You might say that all volunteers will be most welcome, for many hands make little labor and the more help we have the quicker the job will be finished. It looks now, from the assurances of help we have received, as though a part of the park will be usable before the summer is over."

Mr. and Mrs. J. Rogers attended the funeral of George W. Kinnaman of Monrovia on Tuesday afternoon.

TWO ART EXHIBITIONS WILL BE CONDUCTED HERE DURING THE CITY'S WISTARIA FETE

There will be two art exhibits in Sierra Madre during much of March.

The March showing in the "Little Gallery" at the City Hall featuring the work of three gifted Pasadena painters will be formally opened with a reception to the exhibitors at the City Hall from 8 until 10 o'clock on Monday evening and will be continued until the close of the Wistaria Fete.

The second exhibition, to be opened with the Wistaria Fete on St. Patrick's Day, will also be continued throughout the Fete. It will feature the work of local painters, art students and photographers and will be held in the new grammar school.

The purely local exhibition will be included in a tour of the most notable of the city's beautiful gardens on which visitors to the Wistaria Fete will be taken, enabling them not only to see the work of local artists but the city's magnificent school building as well.

The Art Committee of which Mrs. Fred Griebel is chairman has designated Mrs. H. I. Hawhurst as chairman of the committee having charge of the Wistaria Fete exhibits. Mrs. H. B. Tuttle will have charge of the art students' display, the photographic work will be under Ru-

Cities Act Jointly In Water Plan

Arcadia Council Comes Here For Conference And Survey Gets Under Way

Following a joint meeting of the Councils of Sierra Madre and Arcadia with their engineers and city attorneys in the Sierra Madre City Hall on Wednesday night, engineers representing the two cities began a survey yesterday to determine the best and most economical method of making available waters of the Santa Anita recently allocated the two municipalities by the State Department of Public Works.

Two routes for bringing the water down from Santa Anita dam are being surveyed. One follows the course of the canyon, the other looks to digging of a tunnel of approximately a thousand feet in length, greatly shortening the distance to be covered by pipes.

Questions to be decided following the survey are where the water is to be taken from the stream and to what level in this city it is to be piped. The surveys are expected to determine the cost of several plans under consideration.

Cost of the survey now under way is to be equally divided by the two cities. While it is in progress the Councils will work on an agreement for a method of distributing the water equitably within the provisions of the State department's award and with respect to water rights enjoyed by the two cities before the recent allocation was made. This agreement will also cover the cost of the work to be done and it is expected it will be the subject of many conferences between the two Councils and their representatives.

One of the questions Sierra Madre must decide is whether it wishes its share of the water taken directly into the Mira Monte reservoir, for direct conveyance into the mains, or whether it shall be brought to a lower level and dumped on the spreading grounds in the vicinity of the Central avenue pumping station. This will largely determine the extent to which the two cities may share the cost of piping the water. If the Mira Monte reservoir is to be used it will be necessary to go higher in the canyon for the diversion point than if there is to be no direct diversion into the Sierra Madre water mains and the whole allocation of both cities is to be dumped on the spreading grounds and afterward pumped from the underground basin.

Sierra Madre, Arcadia and the Cook Woodley estate have been making separate inquiries into the water situation since the water allocation was made late in December. The award stipulated that the cities benefited should receive the water granted them only under the condition that they actually began the work of diverting it before March 1. The survey, it is believed, will meet this requirement.

DEMAND SENATORS SUPPORT OF BONUS FOR THE SOLDIERS

A request from American Legion Post 297 of Sierra Madre that the two California Senators vote this morning to override President Hoover's veto of the soldier's bonus bill was wired to Washington last night by E. D. Robertson, adjutant of the local post. Similar telegrams went forward to Senators Johnson and Shorridge from practically every Legion post in this State and from thousands of individuals both in and out of the legion.

Sentencing of V. J. Bartold, of North Santa Anita avenue to 90 days in jail for keeping boarders in a district zoned as strictly residential will probably bring Arcadia's zoning law before the courts for review. The City Council refused to interfere in the matter when told scores of other citizens are guilty of the offense charged against Bartold, who explained that he is out of employment and that his family requires the income supplied by the keeping of two roomers.

WORK OF LEGION POST WINS RECOGNITION FROM HEADQUARTERS

Additional recognition of the fine work of Sierra Madre Post No. 297, the American Legion, has been received from the National organization.

A citation to the local post for "Most Distinguished Service" was received by William C. Atkinson, of Arcadia, Commander of the 18th District, from headquarters and presented to Commander Vincent Fleming at the district meeting held in Monrovia last week.

This award is the highest given by the organization for membership work and is given Post 297 for having secured a 1931 paid-up membership in excess of its 1930 membership, prior to November 11, 1930.

CLAREMONT TO STAGE NEW OPERA'S WORLD PREMIER

Presentation of the world premier of Joseph W. Clokey's comic opera "Our American Cousin" by the Claremont Community Players is attracting widespread attention among community players organizations throughout Southern California as well as among music lovers who know of the unique work done by this Southern California composer on other light operas that have been produced in recent years.

"Our American Cousin" will be presented in the Little Theatre at Foothill, located three miles north of Claremont off Foothill Boulevard, beginning the evening of March 3rd, and will continue each evening through the week with a matinee Saturday at 2:30 o'clock.

Arcadia's Council, which recently created an uproar by 'firing' the chief of police, last week "fired" Judge W. H. Horlock, who has dispensed justice in the neighboring city for 12 years. The Mayor and two of the other Councilmen put the job across so fast that the remaining Councilmen, Judge Horlock and the audience couldn't get in a word of protest. When the motion to dismiss the Judge was made, Horlock tried to get recognition. So did several citizens and one of the Councilmen. The Mayor didn't "see" any of them and when one of the dissenting Councilmen was finally recognized he was advised that Horlock had been let out and his successor appointed by a vote of three to two.

PENNSYLVANIA PICNIC; WYOMING ROUND-UP BILLED

All who ever lived in Pennsylvania are invited to a great Keystone State picnic all day Saturday, March 7th, in Sycamore Grove Park. Go early and spend the day with friends. There will be County registers and headquarters so all can find the old neighbors even with thousands present. There will be a brief program, starting about 2 o'clock, but the main purpose will be to have a good time and to meet friends from all over Southern California.

The Wyomingites in Southern California are to have the annual roundup at Sycamore Grove Park, Los Angeles, all day, Sunday, March 1st.

By one of the boys Fire Flames

AND NOW since the fire house is so full of trucks that we can't get anymore in the place, some of these ambitious firemen have strained their vision for more fertile fields, to utilize the excess energy that seems to prevail among the fellows, by making a park of Bailey Canyon—a very patriotic undertaking, to be sure.

The instigator of this latest outburst of enthusiasm is unknown to "Fire Flames" and who ever he may be, it would be advisable for him to keep well to the shady side of the road.

One certain wise guy, who fairly sneered at the idea of some one getting a dose of "Poison Oak," is now asking what the best remedy for the famed "itch" may be. He admits that the stuff is to be found in Bailey Canyon and that he found it.

There seems to be a grand and glorious feature to this newest adventure. It looks as tho' the wives of the boys will be able to accompany them to the "poison oak" retreat. How nice it will be to take the wives to the park as we work. They can bring along those socks that need repairing, or they can bring some of the new babies and hear lectures from older women about their care.

W. L. Hibbs is already choosing the best human material to aid him in the construction of a "classy" looking clubhouse that would be available to the public. He has the place located (in his mind), and if it is half as great as he claims it to be, no one need be ashamed of it. His plans, to us, look like so much "chicken-scratch."

Well, if enthusiasm is any indication of the success of the undertaking, there is not much doubt we shall have a real park in Bailey Canyon.

Pasadena Firemen did things up "brown" at the S.G.V.F.A. meeting the other evening, with good music and plenty to eat. Several of our "women folk" attended and as "we" understand it, they danced into sore feet. Roy Walsworth was very much neglected. The Chief, too, had difficulty in getting the home waltz with his wife.

Another long interval since the siren has sounded for fire. This not only looks good for the fire department, but for the carefulness of the people in the homes, as well. Surely we should have a reduction in our fire insurance rates.

Well, boys, this is the night of our regular meeting, so ask your wives for an extra session. Tell her you will be home when the "FIRE'S OUT."

CITY MADE CENTER OF SERVICE AREA FOR UTILITY COMPANY

The laying of 15,000 feet of pipe between this city, Sierra Madre Villa and Pasadena Glen with which the latter territory will be serviced by the Southern Counties Gas Company was begun on Monday, district manager W. E. Keefe of the company announced yesterday.

No machinery will be used on the trenching or other work, he said, but all will be done by hand labor as a step in relief of the unemployment situation.

Residents of the territory to be served through this city will file applications for service, pay their monthly bills and transact all business with the gas company in this city which is expected to add materially to the welfare of this city through increased patronage for the business and professional men of Sierra Madre.

Mr. and Mrs. A. D. Nye and family of Finnacle, Mich., were weekend guests of Mr. and Mrs. H. Lighthouse of 305 Sturtevant Drive.

Around the Town

Mr. and Mrs. Thomas Miller Jr., of 383 West Central avenue, returned on Tuesday from a four-day trip to Las Vegas, Nev.

Dr. C. T. L. Herbert attended a luncheon of the Pasadena Osteopathic Society held at the Maryland Hotel on Tuesday. Prof. Albert Einstein was the honored luncheon guest.

Mrs. Stanley Decker has received word of the death of her sister, Mrs. J. D. Holder of Wichita Falls, Texas. Mrs. Holder passed away after a very short illness of pneumonia.

The Entre Nous club is meeting today for luncheon with Mrs. F. H. Worthington of 152 East Laurel avenue. Mrs. F. R. Rich will assist the hostess. The afternoon will be spent at the home of Mrs. Thomas H. Flather, 286 East Alegria avenue, finishing quilts which are to be given for charity.

"Song of Temptation," Owen Wister's story of "Padre Ignacio," was presented Friday night in the Chapel of Mission Inn at Riverside by Mrs. J. M. Steinberger and Mrs. Myrtle G. Hill. The original musical setting was com-

posed by Mrs. Hill. Mrs. Hill and Mrs. Steinberger were the guests of Frank Miller, manager of the Mission Inn, Friday and Saturday.

Mr. and Mrs. Charles Egle spent Monday in Los Angeles, guests of Mrs. May Malveny, sister of Mr. Egle.

Jack Hosford has returned to his duties as Assistant City Engineer after being ill for a week with a cold.

William Middough, Gordon Brooks, Emile Smith and Waverly Pratt spent Tuesday afternoon playing golf on the Arcadia links.

Mrs. A. Harkness, John Harkness and Sue Brobst are moving into a new Spanish stucco home at 82 West Alegria avenue, this week.

Mrs. C. H. Bennett of Long Beach spent several days this week with her daughter, Mrs. A. R. Anderson of 471 North Auburn avenue.

A social will be given this evening at the church for members of the church and congregation and their friends.

Edward Dailey of San Diego spent the weekend with his mother, Mrs. James W. Dailey, of 24 West Alegria avenue. Mr. Dailey is studying radio work in the U. S. Navy and enjoys his work very much.

Everyone was glad to see "Postmaster" Jessica H. Wright about again after having been confined to her home with a bad cold contracted when she was whipping the Red Cross Minstrels into shape for their performances.

Mrs. Editha K. Webster, who has been vacationing in Sierra Madre for several months at the Hayden Gardens, left this morning for Sioux City, Ia. Her small daughter, Mary Editha Webster, mother, Mrs. E. T. Kearney, and sister, Gertrude Kearney, will remain here until summer.

Mr. and Mrs. Harvey Bennett of Long Beach, have taken up permanent residence at 463 North Auburn avenue. They were married in Long Beach on February 12. Mr. Bennett is well-known in Sierra Madre and is the son of Mr. and Mrs. C. H. Bennett, former Sierra Madreans who now reside in Long Beach. Mrs. Bennett is the former Thelma Dean of Long Beach.

NINTH BIRTHDAY OF BETHANY SOCIETY TO BE CELEBRATED

The Philippine Islands will be the subject of the afternoon address to the Bethany Missionary Society, next Tuesday, March 3, when the society will celebrate its ninth birthday.

The morning session will open at 10:30, but will be preceded by a half-hour prayer service, in which all interested are invited to participate. Current events will be in charge of Mrs. Samuel Sea.

At 1:15 the afternoon session begins with devotions, led by Helen B. King. At 2 o'clock, J. A. McMillan will tell of his labor of many years in the Philippine Islands. Luncheon will be served at noon in Bethany Hall.

Bethany Missionary Society is a real community gathering, to which everyone is invited; especially strangers in the city.

Mrs. Harry Lyons and daughter Isabel, left on Wednesday evening for Stuart, Fla., to join Mr. Lyons, who has been there for the past month.

Beginning at the Northwest corner of said Lot 325; thence South 87°-40°-30' East along the Northernly line of said Lot 325 a distance of 23.98 feet to its intersection with a curve concave to the Northwest having a radius of 50 feet, a radial line through said point of intersection bears South 16°-18°-55' East; thence South 16°-18°-55' East along said curve a distance of 12.40 feet to the end of same; thence South 87°-43°-50' West a distance of 11.75 feet to a point in the Westerly line of said Lot 325, said point being 151.92 feet North from the Southwest corner of said Lot 325; thence North 0°-03' West along the said Westerly line of Lot 325 a distance of 3.38 feet to the point of beginning.

PARCEL 22:
All that portion of Lot 309,

Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the Southeast corner of said Lot 309; thence South 63°-50' West along the Southernly line of Lot 309 a distance of 23.28 feet to a point; thence North 87°-40' West along the Southernly line of Lot 309 a distance of 4.46 feet to its intersection with a curve concave to the Northwest, having a radius of 30 feet, a radial line through said point of intersection bears South 21°-47°-35' East; thence Northwesterly along said curve a distance of 7.20 feet to the end of same; thence North 54°-27°-40' East a distance of 21.48 feet to a point in the Easterly line of said Lot 309, said point being 94.19 feet South 15°-02' East from the Northwesterly corner of said Lot 309; thence South 15°-02' East along said Easterly line of Lot 309 a distance of 6.05 feet to the point of beginning.

PARCEL 23:
All that portion of Lot 308, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the Southwest corner of Lot 308; thence North 63°-50' East along the Southernly line of said Lot 308 a distance of 34.83 feet to a point; thence North 31°-19' East along the Southeast corner of Lot 308 a distance of 22.01 feet to the Southeast corner of said Lot 308; thence North 34°-08°-30' West along the Easterly line of said Lot 308 a distance of 2.71 feet to its intersection with a curve concave to the Northwest having a radius of 40 feet, a radial line through said point of intersection bears South 38°-25°-50' West; thence Southwesterly along said curve a distance of 2.02 feet to the end of same; thence South 54°-27°-40' West a distance of 50.60 feet to a point in the Westerly line of said Lot 308, said point being 94.19 feet South 15°-02' East from the Northwesterly corner of said Lot 308; thence South 15°-02' East along said Westerly line of Lot 308 a distance of 6.05 feet to the point of beginning.

PARCEL 24:
All that portion of Lot 307, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the most Southern corner of said Lot 307; thence North 31°-19' East along the Southernly line of said Lot 307 a distance of 14.97 feet to a point, said point being 42.35 feet South 31°-19' West from the most Easterly corner of said Lot 307, said point also being the beginning of a curve concave to the Northwest, said curve having a radius of 40 feet; thence Southwesterly along said curve a distance of 14.14 feet to a point in the Southwest corner of said Lot 307, said point being 80.10 feet South 34°-08°-30' East from the most Westerly corner of said Lot 307, a radial line through said point of intersection bears South 38°-25°-50' East; thence South 34°-08°-30' East along the said Southwest corner of Lot 307 a distance of 2.71 feet to the point of beginning.

PARCEL 25:
All that portion of Lot 328, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the most Northern corner of said Lot 328; thence South 31°-19' West along the Northwesterly line of said Lot 328 a distance of 26.03 feet to a point, said point being 181.76 feet from the Southwest corner of said Lot 328, said point also being the beginning of a curve concave to the Southeast having a radius of 20 feet; thence Northwesterly along said curve a distance of 12.13 feet to a point, a radial line through said point bears North 23°-55°-10' West; thence North 23°-55°-10' West a distance of 10 feet to a point; thence North 88°-15°-20' East a distance of 5 feet to a point in the Easterly line of Lot 328; thence North 1°-44°-40' West along the said Easterly line of said Lot 328 a distance of 24.19 feet to the point of beginning.

PARCEL 26:
All that portion of Lot 329, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the most Northern corner of said Lot 329; thence South 43°-45' East along the Northwesterly line of said Lot 329 a distance of 26.03 feet to a point, said point being 101.78 feet North 43°-45' West from the Southeast corner of said Lot 329, said point also being the beginning of a curve concave Southwesterly having a radius of 20 feet; thence Northwesterly

along said curve a distance of 14.31 feet to a point, a radial line through said point bears North 5°-15°-50' East; thence South 1°-44°-40' East a distance of 11.33 feet to a point; thence South 88°-15°-20' West a distance of 5 feet to a point in the Westerly line of said Lot 329; thence North 1°-44°-40' West a distance of 24.19 feet to the point of beginning.

PARCEL 27:
All that portion of Lot 332, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at a point in the Southernly line of Lot 332, said point being 38.26 feet South 43°-45' East from the most Westerly corner of said Lot 332; thence South 43°-45' East along the said Southernly line of Lot 332 a distance of 10.88 feet to the Southeast corner of said Lot 332; thence North 10°-09°-38' East along the Easterly line of said Lot 332 a distance of 2.79 feet to its intersection with a curve concave to the Northeast having a radius of 20 feet; thence Northwesterly along said curve a distance of 9.60 feet to the point of beginning.

(Continued from Page Four)
Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at a point in the Westerly line of said Lot 421, distant thereon North 10°-09' East 32.48 feet from the most Southerly corner of said Lot 421; thence along the Westerly line of said Lot 421 the following courses and distances: North 10°-09' East 29.02 feet, North 75°-29' East 11.55 feet, thence South 27°-23'-15" West 35.43 feet to the point of beginning.

PARCEL 33:
All that portion of Lot 420, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the Northeastly corner of said Lot 420; thence along the Easterly line of said Lot 420, South 2°-31' East a distance of 55.0 feet to the most Easterly corner of said Lot 420; thence along the Southeastly line of said Lot 420 South 75°-29' West a distance of 30.82 feet to a point; thence North 27°-23'-15" East a distance of 10.75 feet to the beginning of a curve concave Northwesterly, having a radius of 91.0 feet; thence Northwesterly, along said curve, of radius 91.0 feet, a distance of 52.29 feet to the end of said curve; thence North 5°-32' West a distance of 10.20 feet to a point in the Northerly line of said Lot 420, distant thereon South 80°-01'-20" West 13.45 feet from the Northerly Easterly corner of said Lot 420; thence along the Northerly line, North 80°-01'-20" East a distance of 13.45 feet to the point of beginning.

PARCEL 34:
All that portion of Lot 419, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

PARCEL 36:
All that portion of Lot 417, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the most Easterly corner of said Lot 417; thence along the Southeastly line of said Lot 417 South 80°-27'-50" West a distance of 4.71 feet to a point; thence North 19°-56'-45" East a distance of 9.76 feet to a point in the Northerly line of said Lot 417; thence along the said Northerly line South 43°-31' East a distance of 11.58 feet to the point of beginning.

PARCEL 37:
All that portion of Lot 416, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the Northeastly corner of said Lot 416; thence along the Easterly and Southeastly lines of said Lot 416

the following courses and distances: South 2°-31' East 45.00 feet, South 50°-09' West 10.29 feet; thence North 9°-04'-20" East a distance of 0.72 feet to the beginning of a curve concave Westerly, having a radius of 91.0 feet; thence Northwesterly along said curve of radius 91.0 feet a distance of 30.05 feet to the end of said curve; thence North 9°-50'-45" West a distance of 21.00 feet to a point in the Northerly line of said Lot 416, distant thereon South 88°-32'-40" West 9.61 feet from the Northeastly corner of said Lot 416; thence along the said Northerly line North 88°-32'-40" East a distance of 9.61 feet to the point of beginning.

PARCEL 38:
All that portion of Lot 415, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the Northeastly corner of said Lot 415; thence along the Easterly line of said Lot 415 South 2°-31' East 78.32 feet to the Southeastly corner of said Lot 415; thence along the Southerly line of said Lot 415 South 88°-32'-40" West 9.61 feet; thence North 9°-50'-45" West a distance of 64.49 feet to the beginning of a curve concave Easterly of radius 109.0 feet; thence Northwesterly along said curve, of radius 109.0 feet, a distance of 14.16 feet to a point in the Northerly line of said Lot 415, distant thereon South 87°-18'-40" West 18.73 feet from the Northerly Easterly corner of said Lot 415; thence along the said Northerly line North 87°-18'-40" East 18.73 feet to the point of beginning.

PARCEL 39:
All that portion of Lot 414, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the Southeastly corner of said Lot 414; thence along the Southerly line of said Lot 414 South 87°-18'-40" West 18.73 feet to a point on a curve concave Easterly of radius 109.0 feet, a radial line through said point to the center of said curve bears North 87°-35'-50" East; thence Northwesterly along said curve of radius 109.0 feet a distance of 30.25 feet to the end of said curve; thence North 13°-29'-45" East a distance of 29.41 feet to the beginning of a curve concave to the Southeast having a radius of 89.0 feet; thence Northwesterly along said curve of radius 89.0 feet a distance of 17.37 feet to a point in the Easterly line of said Lot 414, distant thereon South 2°-31' East 5.81 feet from the Northeastly corner of said Lot 414; thence along the said Easterly line South 2°-31' East 74.19 feet to the point of beginning.

PARCEL 40:
All that portion of Lot 413, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at a point in the Easterly line of said Lot 413, distant thereon South 15°-29' West 0.27 feet from the most Northerly corner of said Lot 413; thence along the Easterly and Southeastly lines of said Lot 413 the following courses and distances: South 15°-29' West 14.15 feet, South 62°-29' West 83.86 feet to a point on a curve concave to the Southeast, having a radius of 89.0 feet. A radial line through said point to the center of said curve bears South 59°-23'-10" East; thence Northwesterly along said curve of radius 89.0 feet a distance of 55.78 feet to the end of said curve; thence North 66°-31'-20" East 40.95 feet to the point of beginning.

PARCEL 41:
All that portion of Lot 421, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at the most Northerly corner of said Lot 421; thence along the Northerly and Westerly lines of said Lot 421 the following courses and distances: South 66°-29' West 17.72 feet, South 15°-29' West 21.38 feet; thence North 66°-31'-20" East a distance of 23.23 feet to a point in the Easterly line of said Lot 421; thence along the said Easterly line North 2°-01'-40" East 18.43 feet to the point of beginning.

PARCEL 42:
All that portion of Lot 421, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles, State of California, as shown on Sheet No. 3 of a map recorded in Book 31, page 55 of Maps, Records of Los Angeles County, included within the following described boundary lines, to-wit:

Beginning at an angle point in the Westerly line of said Lot 421 which is the point of intersection of a line bearing North 43°-31' West and having a length of 143.08 feet, with a line having a bearing of North 50°-09' East and a length of 51.29 feet; thence along the said Westerly line North 50°-09' East 34.02 feet; thence South 9°-04'-20" West a

distance of 6.06 feet to the beginning of a curve concave to the East, said curve having a radius of 92.0 feet; thence Southwesterly along said curve a distance of 46.62 feet to the end thereof; thence South 19°-56'-45" East a distance of 1.77 feet to a point in the aforesaid Westerly line; thence along the said Westerly line North 43°-31' West 43.76 feet to the point of beginning.

That the above described property is to be acquired for public highway purposes and is to be called, upon its acquisition, Sturtevant Drive.

SECTION 2
That the public interest, convenience and necessity demand and require and it is the intention of the City Council of the City of Sierra Madre to order the following improvements made in said City.

That portions of Woodland Drive, widened as proposed herein, between the cross gutter now constructed and in place at the termination of Woodland Drive in Sturtevant Drive and the Northerly boundary line of Tract No. 2456, as said Northerly boundary line is shown on Sheet No. 2 recorded in Book 24, page 37 of Maps, Records of Los Angeles County, be improved by certain grading, and by the construction of certain asphaltic concrete pavement.

That a reinforced concrete catch basin together with gratings, reinforced concrete pipe storm drain, certain cement concrete combination curb and gutter adjacent to said catch basin, appurtenances and appurtenant work be installed in the Easterly side of said Woodland Drive, (as same shall exist after widening in accordance with Section 1 hereof) at a location approximately 15 feet Northerly of that certain bridge now constructed and in place in Woodland Drive where Woodland Drive crosses the Los Angeles Flood Control Channel, approximately 675 feet Northerly of the termination of Woodland Drive in Sturtevant Drive, measured along the center line of Woodland Drive.

That a certain concrete catch basin together with gratings, reinforced concrete pipe storm drain, certain cement concrete combination curb and gutter adjacent to said catch basin, appurtenances and appurtenant work be constructed in the Easterly side of Woodland Drive as the same shall exist after widening in accordance with Section 1 hereof, at a location approximately 39 feet Northerly of that certain bridge now constructed and in place in Woodland Drive where Woodland Drive crosses the Los Angeles Flood Control Channel, approximately 100 feet Southerly from the Northerly termination of Brookside Lane in Woodland Drive, measured along the center line of Woodland Drive.

That portions of Alta Vista Drive, widened as proposed herein, between its Northerly termination in Woodland Drive and its Southeastly termination in Sturtevant Drive, be improved by certain grading and the construction of certain asphaltic concrete pavement; and that certain rubble retaining wall, footings, appurtenances and appurtenant work, be constructed on the Westerly side of said Alta Vista Drive between a point in the said Westerly line of said Alta Vista Drive opposite a point on the center line thereof approximately 95 feet Southeastly from the said Northerly termination of Alta Vista Drive in Woodland Drive and measured along the said center line of Alta Vista Drive; also

That a certain rubble retaining wall, footings, appurtenances and appurtenant work, be constructed on the Easterly side of said Alta Vista Drive at a location approximately 150 feet Southeastly from the said Southeastly termination of said Alta Vista Drive in Sturtevant Drive and measured along the center line of said Alta Vista Drive.

That portions of Vista Circle Drive, widened as proposed herein, between its Westerly termination in Alta Vista Drive and its Easterly termination in Alta Vista Drive, be improved by certain grading and the construction of certain asphaltic concrete pavement.

That portions of Oakdale Drive, widened as proposed herein, between its Northerly termination in Vista Circle Drive, and its Southerly termination in Sturtevant Drive and that portions of Sturtevant Drive, widened as proposed herein, between a line drawn across said Sturtevant Drive at right angles to the center line thereof through a point on said center line distant thereon approximately 39 feet Southerly from the said angle point in the center line of said Sturtevant Drive at said Southwestly termination of Oakdale Drive in Sturtevant Drive and a line drawn across said Sturtevant Drive at right angles to the center line thereof through a point on said center line distant thereon approximately 39 feet Southerly from the said angle point in the center line of said Sturtevant Drive at said Southwestly termination of Oakdale Drive in Sturtevant Drive, be improved by certain grading and the construction of certain asphaltic concrete pavement, cement concrete combination curb and gutter; and that certain reinforced concrete catch-basins, together with a reinforced concrete storm drain, rubble retaining wall, appurtenances and appurtenant work, be constructed in the Southwestly termination of Oakdale Drive in Sturtevant Drive and in Oakdale Drive be-

tween said termination and a line across said Oakdale Drive approximately 75 feet Northerly of the said Southwestly termination of Oakdale Drive in Sturtevant Drive.

That portions of Sturtevant Drive, widened as proposed herein, between the Southwestly termination of the Southwestly line of Lot 15, Tract No. 2456, in the City of Sierra Madre, County of Los Angeles as per map recorded in Book 24, page 36 of Maps, Records of said county, and the Easterly line of said Tract No. 2456, as per map recorded in Book 31, page 55 of Maps, Records of said county, be improved by certain grading and the construction of certain asphaltic concrete pavement and concrete retaining wall, footings, appurtenances and appurtenant work, be constructed on the Southerly side of said Sturtevant Drive between a point in the Southerly line of said Sturtevant Drive distant thereon approximately 175 feet Northerly from the angle point which is the Northeastly corner of Lot 321, said last mentioned Tract No. 2456, and a point in said Southerly line of Sturtevant Drive approximately 17 feet Easterly of said angle point.

SECTION 3
All of the foregoing descriptions of acquisitions and improvements are general only and reference is hereby made to the specifications on file in the office of the City Clerk of the City of Sierra Madre and Ex-Officio Clerk of the City Council of said City for all details relating to said acquisitions and for the estimated expense of said acquisitions. Reference is also made to such specifications and to such plans, plans and detailed drawings thereon for the estimated cost of the improvements proposed herein (inclusive of incidental expenses and costs of the proceedings) and for a full and detailed description and location of said proposed improvement and of the grades to which said improvement is to be constructed. Said specifications have been approved by the City Council of said City and were filed in the office of the City Clerk, as hereinbefore stated, February 26th, 1931.

All of the work and improvement shown on and described in said specifications, profiles, plans and detailed drawings as work to be done, shall be done and performed under this resolution the same as though fully and accurately described in this resolution.

The notice of all persons affected is directed to the grades for the proposed improvement and to the provisions of the Acquisition and Improvement Act of 1925, as amended, relating to grades. Particular notice is directed to the fact that substantial changes in the relation of the elevations of abutting property to that of said public ways as they will exist after being improved, will result from the construction of the above mentioned improvements to the proposed grades.

SECTION 4
That the district of lands which will be benefited by the said proposed acquisitions, work and improvements, to be known as the "Assessment District," shall, as proposed, include (except as hereinafter provided) all that territory in the City of Sierra Madre lying within the following exterior boundary lines, to-wit:

Debut Of Cynthia Hull In Recital Is Brilliant Success
Cynthia Hull, daughter of Mr. and Mrs. W. S. Hull of this city, was given a splendid reception last Friday night when she made her debut in piano recital before a crowded house at the Woman's club.

She was presented by her teacher, Gustave Rihard, in a program ranging from the old composers to those of the modern world. Fine expression marked her numbers, which were executed with ability and finish.

Miss Hull was at her best in Bach's "Minuet and Trio from Third French Suite," the Beethoven-Busoni "Country Dance," and her two piano numbers, "Rhapsodie D'Auvergne" by Saint-Saens in which Mr. Rihard played second piano. She was assisted on the program by Guy Scott Rihard in the following violin selections: "Slumber Song by Schumann," "Meditation" by Massenet, "Rondeau" by Beethoven-Kreisler, and Burleigh's "Boero."

Miss Hull was recalled to the platform again and again and was presented with beautiful floral tributes in appreciation of her musical progress.

Rudolph R. Hartman gave a demonstration and lecture to the Projection club of Muir Tech Junior High school in Pasadena on "Vitacolor and Codacolor in Moving Pictures" and the advantages of both systems.

Mr. and Mrs. A. P. Chapman of Victoria, B. C., were guests at the J. M. Campbell home on Park avenue Monday and Tuesday of this week. Mr. Chapman is transportation manager for the Chicago, Milwaukee and St. Paul Railroad at Victoria.

Mrs. Robert Babbitt and children are spending several days at Rosamond, Calif.

Mrs. John Mueller, Beatrice Parker, Irving Nordgren and Jay Cooper attended the fights in the Olympic Auditorium on Tuesday night.

Mr. and Mrs. George E. Babbitt, Mr. and Mrs. M. J. Swallow of Los Angeles, and Mrs. Sara Sorey are spending the week-end in San Diego.

Mrs. George Cox of 70 East Montecito avenue, returned home on Sunday from a trip to Washington, Ind.

Mrs. Louise Roe, who was severely burned with hot grease several weeks ago, has returned to her position at the Sierra Madre Telephone Company.

Mrs. William Rodenberger of Indianapolis, Ind., who is visiting her daughter, Mrs. C. D. Croan, has been spending this week in San Diego with her brother.

The Dickens Fellowship Club will meet next Thursday, March 5, at the home of Mrs. H. A. N. Addis, 320 West Grand View avenue.

Mrs. L. F. McCool of San Francisco, has been a guest at the Croan home for a few days. Mrs. McCool is a cousin of Mrs. Croan and here visit to Sierra Madre has made her very enthusiastic about Southern California.

Mrs. Bruce Johnson and daughter, Louise, of San Diego were the guests of Mr. and Mrs. W. L. Hibbs of 249 Ramona avenue, on Saturday and Sunday. Mrs. Marie McMullen of Alhambra, sister of Mrs. Hibbs, returned from San Diego with them and visited at the Hibbs home this week.

Great Variety Of Shrubs Planted On The School Grounds

Planting of shrubbery about the new school building has just been completed by the Ward Nursery.

Shrubbery was selected for its hardiness, attractive foliage and general endurance. Some of the shrubs used are the Cotoneasters with their red or orange berries, the Pyracanthas which are also berried shrubs; the Pittosporums which come in several varieties; the Arbutus, Eugenia, Abelia, Myrtus, Genistas, Viburnums and Lophospermums.

For spots of color there are bright red Hibiscus and Grevillea Banksias.

Under a group of Sycamore trees in front of the school, there has been arranged a rocky, planted to flowering plants such as pentstemon, statice, fuchsias, cinerarias, lobelias and violas.

For accent here and there about the building, such coniferous trees and shrubs are used as Italian cypress, arborvitae, incense cedars and junipers.

All of the palms have been moved to their present location from other parts of the grounds.

Lawns will cover all the ground not planted to shrubbery.

Mr. and Mrs. George Kehlet of Alhambra, had as their dinner guest on Monday evening, Mrs. Sylvia Merrill of 203 Santa Anita court. Mr. Kehlet is the manager of Meek's Bay Camp at Lake Tahoe.

PROBLEMS OF MANY HOME GARDENERS ANSWERED

O MANY inquiries covering such a wide variety of problems and therefore of such general interest to our home gardeners have accumulated, that this department on over to answering them. As nearly as possible, hereafter, questions will be answered in the issue of THE NEWS following their receipt and we will be glad to help all of our nature lovers with advice and suggestions if the questions are sent in writing to THE NEWS. Here are the questions on hand and their answers:

QUESTION: Should hydrangea plants be trimmed now? and how?

ANSWER: Yes, cut back last year's growth, leaving about two

buds. If it is a large plant that has never been pruned before, it may need more severe pruning, cutting back to old wood that shows strong healthy buds.

Q: Why do some hydrangea plants blossom blue while others are pink?

A: This is caused by the chemical condition of the soil. Naturally, they will be pink but if the soil has become acid or if the soil contains enough iron rust they will turn blue. For instance, hydrangeas growing in cans will blossom pink of the can has been painted so that it can not rust, but those growing in rusty cans will blossom blue.

Q: What causes the leaves of Statice plants to curl up and turn red and finally die?

A: This is a fungus disease and can be easily controlled by dusting sulphur on the plants. Use it about once a month as a preventative.

Q: What would be a suitable plant to cover a low retaining wall.

A: Trailing lantana is the best all around plant for this purpose. It will endure the heat of cement when the sun is hot.

Q: What varieties of Avocados should be planted to produce fruit at all seasons?

A: It would require at least three varieties to have a succession of fruit through the 12 months of the year. For winter and spring, plant the Fuerte variety. It has a long season, beginning to ripen in January and will hang on until June—that is if you are willing to save it that long. For summer the most recommended variety is the Nabal. It is as high in quality as the Fuerte. Then there are the Mayapan and the Itzamna varieties which are very fine also. The Itzamna will hang on into the fall months. After that there are the Puebla and Ward varieties which will bring you up to the Fuerte again.

Q: Should the burlap be removed from "balled" plants before planting?

A: No, the ball should be planted just as it comes from the nursery. After it has been placed in the hole and dirt partially filled in, then the string at the top can be cut and burlap folded back so that it may be covered by the soil.

Q: Please mention some low growing flowering plants suitable to plant under small trees where it is only partially shady?

A: Pansies, Violas, English Daisies, or Lobelias. If quite shady, plant Cinerarias, Primulas or Dwarf Begonias.

Q: What should be done for mildew on Roses?

A: Dust with powdered sulphur. Do not wait until they have become mildewed, use it regularly once a month or more often as a preventative.

Q: Is it a natural thing for Canna leaves to turn brown at this time of the year and should they be cut back?

A: Yes; and they should also be dug up and divided if they have been in the same location more than two years. To have

success with cannas they should have plenty of room and lots of water.

Q: What causes Heather plants to turn yellow and die back?

A: This is caused by either too much water, too much shade or too much fertilizer. The best plants are those that do not get much petting.

Here and There

By H. L.

What's the best use for a dead citrus tree? Why, firewood, of course.

What's the nicest thing recently happened to the Sierra Madre Woman's Club? The removal of the architectural monstrosity that existed in the form of a decrepit broken-windowed abandoned residence next door.

What should be done with the old town hall, that looks as it did in 1887, the year it was built, except for a new front on the street level? Why, flatten the roof, obliterate the tower, put chicken wire on the frame sides and front, apply stucco, and Tom Neale's office will look no more up to date.

What shall we do with the great talent of ex-Mayor Myers? Why, employ him as City Manager. He saved Sierra Madre very much more than would pay his salary for years, and years, and he could be saving again for us.

What will we do to help this city? Well, one of the most important things is to throw business in the way of our excellent newspaper. Back it up, and you can be sure it will buck us up. That's fair.

Who got re-elected because he is a much-loved minister of Christ? Popular Dr. Ogg, who will preach as usual at Bethany.

Who has a rubber tree and is always writing Passenger Traffic Manager Smith about certain Pacific Electric improvements here? Why, darned if it ain't — well, he was last seen headed for Florida, and going some.

The Ladies Auxiliary of the Temple Beth Israel will meet next Monday evening, March 2, at the home of Mr. and Mrs. A. Palitt, 187 North Sunnyside avenue.

Edna Green and Marion Vannier enjoyed several days last week in San Diego.

Every new Ford is equipped with four Houdaille double-acting hydraulic shock absorbers

ONE of the fine things about driving the new Ford is the way it takes you over the miles without strain or fatigue. No matter how long the trip, you know it will bring you safely, quickly, comfortably to the journey's end.

The seats are generously wide, deeply cushioned and carefully designed to conform to the curves of the body. Every new Ford has specially designed springs and four Houdaille double-acting hydraulic shock absorbers. These work both ways — up and down. They absorb the force of road shocks and also provide a cushion against the rebound of the springs.

Other features that make the new Ford a value far above the price are the Triplex shatter-proof glass windshield, silent, fully enclosed four-wheel brakes, more than twenty ball and roller bearings, extensive use of fine steel forgings, aluminum pistons, chrome silicon alloy valves, torque-tube drive, Rustless Steel and unusual accuracy in manufacturing.

In addition, you save many dollars because of the low first cost of the new Ford, low cost of operation and up-keep, and low yearly depreciation.

LOW PRICES OF FORD CARS

\$430 to \$630

F.O.D. Detroit, plus freight and delivery. Bumpers and spare tire extra at small cost. You can buy a Ford for a small down payment on a convenient financing plan. See your Ford dealer for details.

Woman's Club Notes

By MRS. WAVERLY E. PRATT Press Chairman, Woman's Club

THE 50 Years of Exploration and Adventure of the late Dr. Frederick Mosen, explorer, world traveler and lecturer, with beautifully colored stereoscopic views and an informal talk on the life of Dr. Mosen, by his son, Courtenay Mosen, of Pasadena, was the interesting program given at the club house on Wednesday.

The pictures and lecture took the audience back to the days of 1880 and vividly portrayed the hardships and courage of the pioneers.

They also showed the interesting and primitive life of the Hopi Indians. One of the pictures taken by Dr. Mosen of an Indian girl called a "Study in Bronze" was awarded the gold medal in London and 7000 of the pictures taken by him are now an important and permanent feature of the Huntington Library collection.

With the proceeds of these illustrated lectures, Mr. Mosen plans to erect a bronze plate, in memory of his father, in the Explorer Club in New York, of which Dr. Mosen was founder and director.

It is also Mr. Mosen's ambition to have a portrait and biography of his father in the three National Geographic Dictionaries so the work of this internationally famous explorer may be enjoyed by all.

Preceding the program Mrs. E. E. Bacon, president, read a personal letter from the California State President of the Federated

Clubs, Mrs. W. W. Slayden, in which she highly commended the Sierra Madre Woman's Club for its delightful and interesting Reciprocity Day, which she enjoyed at the club.

Tea was served in the tea room by Mrs. F. B. Seeley.

CLUB MEMBERS TO WRITE ABOUT RAMONA PAGEANT

Members of every woman's club in California have been invited by the management of the Ramona Pageant to enter a contest in which valuable prizes will be awarded for the best letters describing the writer's impressions of the famous outdoor play produced annually by the people of Hemet and San Jacinto, and to be given this year on three successive weekends beginning Saturday and Sunday, April 18 and 19. Open only to women's organizations, the contest is to be conducted under the direction of Mrs. W. H. Pawson of Hemet, former president of Riverside County Federation. First prize will be 100 reserved seats for the Ramona Pageant, second prize 50 tickets, and third prize 25 tickets. Each letter must be written to a friend (real or imaginary).

BOARD PASSES ON THE CLUB'S NEW BY-LAWS

The Board of Directors of the Woman's Club met with the president, Mrs. E. E. Bacon, in the Osgood room preceding the Wednesday afternoon program, at which time the amendments to

the by-laws of the club were read and discussed.

Mrs. Alfred B. Collins was accepted as a new member.

Mrs. John H. Robertson represented the Sierra Madre Woman's Club at the Presidents Council at the Highland Park Ebell Club. Mrs. W. A. Spill, president of the Pasadena Shakespeare Club has requested Mrs. Robertson to give a report of the last President's Council at the Shakespeare Club's next meeting.

Mrs. Robertson, who is a member of the district committee, attended the Federation Headquarters in Los Angeles.

POOR MOTORIST GETS INCOME TAX CREDIT

Nine important deductions are allowed motorists in filing federal income tax returns for 1931, according to the Automobile Club of Southern California. Following are deductions allowed:

All sums paid during the calendar year as registration fees, driver's licenses, state personal property taxes and municipal taxes; interest on money borrowed for the purchase of an automobile used for either business or pleasure; all operating and maintenance expenses, including depreciation, on automobiles used wholly for business; or a pro rata share of such expenses, representing business use where a passenger car is chiefly (more than 50 per cent) used for business (depreciation usually is figured at 20 per cent per annum); automobile insurance on automobiles used for business purposes; uncompensated losses, sustained by reason of damage to any automobile used for either pleasure or business; damage paid for injuries to persons or for destruction of property, provided the automobile at the time of the accident was being used for business; the amount of financing charges on automobiles purchased which covers the interest and risk on the loan; loss sustained where an automobile used for business purposes is traded in for a new car.

The following two important items are not deductible:

The amount paid for an automobile used for either business or pleasure; loss sustained where an automobile used for pleasure is traded in for a new car.

The next regular meeting of the American Legion Auxiliary will be held at the home of Mrs. Louise Roe, 288 Mariposa avenue, March 12th.

The playground at the Sierra Madre grammar school is almost completed.

Mr. and Mrs. Lee Shippey, Mrs. Ella A. Cadmus and Laura E. Cadmus attended the grand opera performance of "Cavalleria Rusticana" and "Pagliacci" at the Shrine Auditorium on Wednesday evening.

Favorite Dishes Of Sierra Madreans

This old Spanish recipe for Stuffed Peppers has been traced back to a famous old inn at Barcelona and is a prime favorite with every good cook who tries it. It calls for: Six large sweet peppers, 1 pound pork sausage, 2 cloves garlic (chopped), 2 onions, chopped fine, 4 egg yolks.

After removing the seeds and stems from the peppers, cook until tender in boiling salted water. Drain and put aside. If the sausage has not been seasoned, add salt, cayenne, and black pepper. Place in an earthen or granite vessel with the garlic and onions, cover with cold water, and boil until thoroughly done. Stuff the peppers with this mixture, pressing it down well, dip into the beaten egg yolk, and fry in deep fat. When each pepper is nicely browned, take up and drain on paper. Serve while hot.

Along the Concrete

John G. Harkness spent the weekend at San Diego.

Mr. and Mrs. Lewis Tindal of Hollywood, and Mrs. Mary Lewis spent Sunday in San Bernardino.

Mrs. Fred Griebenow went to Altadena on Wednesday to spend several weeks taking a much needed rest.

Mrs. Maude Hogle of 80 East Laurel avenue is leaving today for Carmel, Cal., where she will visit for a few weeks.

Clara Sykes of 91 West Highland avenue, returned on Sunday from a nine month's visit in New York and other eastern cities.

Mrs. George Moran and Mr. and Mrs. Al Wheeling visited the hardware display at the Shrine auditorium on Wednesday evening.

Rev. and Mrs. Robert Charles Lewis and Mr. and Mrs. Elerick of Hawthorne were the guests Tuesday of Mr. and Mrs. James Vieira of 487 Woodland Drive.

Arthur Pritchard, son of Rev. Arthur O. Pritchard, was unanimously chosen by the Pomona College Athletic Council as senior manager of the Varsity football team for the season of 1931 and 1932.

Azalia Scoville and Mrs. George Moran visited Mrs. Violette Barr in Fairview Retreat near San Fernando on Sunday. Mrs. Barr is a former resident of this city and would be pleased to hear from any of her old friends.

The Canyon Park Bible Class met on Thursday morning with Rev. William Duncan Ogg, pastor of Bethany Church, at the home of Mrs. C. D. Croan, 301 Sturtevant Drive. Meetings will be held every Thursday morning from 9 to 10 o'clock at the Croan home. The class is open to the public and everyone is cordially invited.

Vincent Fleming received a letter from Judge William Lasater who is taking treatment at the Sawtelle Soldier's Hospital, on Monday. The Judge is very enthusiastic over his progress and if he continues to regain his health as rapidly as he is now doing, it will not be many weeks before he will be able to return to Sierra Madre.

The directors of the Kiwanis club met Tuesday evening at the home of Frank Hildebrandt in Arcadia. Young friends of Mr. Hildebrandt entertained with music and songs. Mrs. Hildebrandt served a delicious lunch to those present—Waverly Pratt, Vincent Fleming, Gordon Brooks, Frank Spencer, Charles Klunk, R. Copenhagen, George Moran, H.

ALONG THE FOOTHILLS

A greatly improved lighting system for East Colorado avenue to the city line is provided in a petition now before the Pasadena City Trustees.

Monrovia has closed a deal with individual property owners in Sawpit Canyon for purchase of a part of the canyon's water supply which will be diverted to the city mains.

Widering and repaving of Foothill boulevard from Santa Anita (Double Drive) avenue past Baldwin and Sierra Madre avenues and to the Pasadena city limits is announced as one of the county projects on the program of the supervisors for this fall.

Cucamonga is in the midst of a home-building campaign sponsored by the town's chamber of commerce and generously supported by the building materials dealers, hardware merchants and builders and a dozen new homes are now in course of construction as a starter. There is practically no unemployment in consequence.

Intending both to relieve the crowded condition of the county jail and to hasten completion of the new mountain highway, the County Supervisors have voted to

establish a prison labor camp in Aliso Canyon, on the desert end of the road and to use a large number of prisoners on the new Palmdale cut-off, connecting Vincent in the Antelope Valley with La Canada. It will be one of the most scenic drives on the West coast when completed. The La Canada end of the new artery through the Arroyo Seco is well completed as far as Red Box, in the mountains back of this city.

A detail of 30 immigration officers, many of them recruited from the Eastern service, descended upon Puente last week and gathered up a lot of Mexican candidates for deportation. A large number of arrests were made on all manner of charges and the records of those gathered in are being checked up with a view to sending them back over the border. Found in the lot was one Mexican who was deported two years ago and who since came back into California illegally. The raid is said to be the first of a number to be made throughout this State in a drive to deport undesirable aliens, for which a large number of deputy marshals and immigration officers have been brought from the East.

Thousand Edison Employees Move Into Magnificent New Building

Representing the most modern developments in design and construction of office structures, the new all-electric general office building of the Southern California Edison Company Ltd., at Fifth Street and Grand Avenue, has been completed and is now occupied by the company. John E. Miller, chairman of the Edison Company, announced that the formal opening of the building would be held March 30, the date of the annual meeting of Edison stockholders.

Clay Reavis and William J. Lawless.

Mrs. W. L. Hibbs of 249 Ramona avenue, was awarded the prize for the most attractive box at the Valentine-Washington box social of the Friendship club of the Congregational church last Friday evening. Mrs. Hibbs' box was in the form of Uncle Sam's hat.

BIRTHDAY PARTY FOR ELIZABETH LEE LISCOMB

Mrs. Andrew Liscomb celebrated the birthday of her daughter, Virginia Lee Liscomb, on Wednesday, with a party at her home, 51 West Laurel avenue. The afternoon was spent in games and refreshments were served. Guests included Nan Mathers of Los Angeles, Marion, Betty, Gloria and Wilbur Anderson, Freddy Pagenkopf, Frances and Allen Robertson, Oliver T. Weidman (Uncle Wiggily), Mrs. Phil Koch, Mrs. David Mather, Mrs. Edward Robertson, Mrs. Fred Pagenkopf and the hostess, Mrs. Andrew Liscomb.

THERE'S NOVELTY TO A FOOD SALE PLANNED BY THE AUXILIARY

The American Legion Auxiliary will hold a home cooked food sale at Central and Baldwin avenues all day Saturday, March 7th. It is planned to have an unusual variety of favorite, appetizing dishes. You can have the dish you particularly like, cooked and ready for you on Saturday morning by telephoning 157-2. Get your order in early—it'll be good.

PASADENA TROLLEY FARES READJUSTED

Seven-cent city-wide fares in Pacific Electric lines in Pasadena are eliminated and 5-cent and 10-cent fares are substituted under a zone plan, by authorization yesterday of the State Railroad Commission.

The new schedule will be put into effect within 45 days. The Pacific Electric will make a readjustment of its motor coach service in and about Pasadena as a result of the replacement of the seven-cent fare.

The Associated Chambers of Commerce of the San Gabriel Valley will meet next Tuesday at 6:30 o'clock in the Woman's clubhouse in Baldwin Park. A number of Sierra Madreans plan to attend.
